Bee helpers will take notice of any and all acts of kindness. Funny monies will be handed out to those who earned them.

Auction committee will set and determine any “minimums” that you may want for an item you donate. Please keep in mind that if you donate an item, the committee will have the final word for set amount if any.

***You will get all the funny monies from the auction if your item sells!!!***

If an item is NOT bought at the end of the auction, you can donate it to the bees. Or, you can take it back and save it for next year when the members may have more funny monies to spend. If you donate it to the bees, the committee will decide if it should be given away or donated to another charity.

Each member will be given a Funny Money Wallet in which to keep your monies. This wallet is yours to keep.

This is just a fun thing we thought would bring more interest, determination, creativity, participation and laughter to the group. We are all always looking for more ways to have fun. This year, we are off to a late start but we hope that you will jump right in and help make this a fun 1<sup>st</sup> Annual event at our Christmas Party. We all love presents, so here is your chance to buy yourself something nice.

This first year, Tess and Tonie will Chair this event. At the auction, we will vote on next year's Chair. Chair persons ARE allowed to participate.

Please feel free to bring your ideas and your items!

July 25, 2015 will be the start day - Let the fun begin 😊
